

# Developing Player Programme Trial Process

## Step 1

Club/School Coach sends email to [DPP@tigers.co.uk](mailto:DPP@tigers.co.uk) to nominate a maximum of one player, unless there are exceptional circumstances. Please ensure that only the most suitable players are nominated.

This must include a parent/guardian contact and we cannot accept nominations from parents

## Step 2

Following the coach email, we will then try to arrange one of our player liaison officers to visit a school or club match that the player is involved with.

At this point we may invite the player for a trial at one of our centres

## Step 3

Following the player liaison officer visit, parents will receive an email asking them to fill in an information form. This must be completed prior to the below deadlines.

They will also receive an invite to our 'Coach Now' site which contains all of our parental information.

## Step 4

Trials will run for two sessions, over which time players will be assessed across our Talent Philosophy.

At the end of the trial, they will either be asked to join the DPP or given appropriate feedback to help with their further development at their club or school.
